

# Considering the UK government’s economic challenges, and its climate commitments, along with Rishi Sunak’s plan to issue new oil and gas licence in the North Sea, which statement do you agree with the most?

Total sample size: 3,090

Nationally representative sample size: 2213

GB Sample Spec	Percentage	Quota	Completes	% Complete	We should stop all drilling in the North Sea ASAP	We shouldn't issue new licenses for drilling, but carry on existing drilling while phasing out fossil fuels	We should subsidise green energy and let the market deal with the climate change problem	Issue new licenses for oil and gas with the aim of bringing prices down now, and deal with climate change in the future	Climate change is not/will not be serious issue and the government should not act on it	I don't know
